Campbell has established a hotline number 1-866-495-3774 that customers and/or consumers can call for more information about this recall.

Please follow the steps below to effectively and immediately remove the product from warehouses and retail stores.

For Direct Ship Customers:

1. Immediately discontinue distributing the product and selling the product in your stores.
2. Have the product removed from retail store shelves and return it to your reclamation center for processing.
3. Secure all full and partial cases at the warehouse or distribution centers and contact Campbell at 1-866-314-2435 to arrange for pick-up of recalled product.
4. Please contact Campbell's hotline at 1-866-495-3774 or your Campbell's Sales Manager with any questions.

For Distributors/Wholesalers and any group that has distributed any of this product:

1. Immediately contact your accounts and advise them of the recall situation and discontinue distributing the product to your accounts.
2. Instruct your accounts to remove all products from their stores and return all of the recalled products to your reclamation centers.
3. Secure all full and partial cases in your warehouses and contact Campbell at 1-866-314-2435 to arrange for pick-up of recalled product.
4. Please contact Campbell's hotline at 1-866-495-3774 or your Campbell's Sales Manager with any questions.

Campbell will be executing a Retail Blitz to ensure all products have been removed from stores.

Thank you for your prompt attention to this important request.
