Dear Customer:

Kellogg is conducting a voluntary recall of certain retail grocery pack boxes skus of Corn Pops, Honey Smacks, Froot Loops and Apple Jacks cereals due to an uncharacteristic off-flavor and smell coming from the liner in the package. **Traditional single serve pack formats including cup, single serve individual boxes and bowls are NOT affected by this recall.** While the potential for serious health problems is low, some consumers are sensitive to the uncharacteristic off-taste and smell and should not eat the recalled products because of possible temporary symptoms, including nausea and diarrhea.
